

The new standard for better printing

ENTERPRISE GROUP

cut size business papers

WITH COLORLOK® TECHNOLOGY

Get bolder blacks and more vibrant colors with Domtar Papers featuring ColorLok® Technology.

With ColorLok papers, color is more persuasive. It provides paper with advanced technology for all office printing equipment, allowing you to achieve superior printing results. Whether using ColorLok papers in the office or at home, you can rely on consistent, high-quality documents from all of your office printers and copiers.

Benefits For Inkjet Printers

- Bolder blacks
- More vivid color
- Faster drying times for less smearing

Benefits For Laser Printers

- Consistent imaging
- Trouble-free printing
- Extends the life of your printer
