

# ENTERPRISE DIGITAL BOOK

Enterprise Group offers Enterprise Digital Book as a premium bulking book grade, designed specifically for digital print applications. It offers the opacity, imaging characteristics and trouble-free runnability needed for high-speed digital printing and post-processing equipment. Available in a cream-white shade, this paper offers a wide array of graphic design and page count options.

If you would like additional information about this product, or any of our other quality products, please contact your Account Manager.
